**Don't miss this!
Limited quantity available!**

In 2017, Milton will celebrate its 200th anniversary. The Milton Borough Council has asked the Milton Historical Society to organize Milton's bicentennial celebration. A very exciting, multi-faceted celebration spanning many months is being planned--and you can help make it become a reality.

The Milton Historical Society has commissioned a very special, limited edition, historic, framed map of Milton circa 1883. These special edition maps, which are reproductions of the first maps of the Borough printed following the great fire of 1880, are a very interesting window into our past and show how quickly Milton began to rebuild and flourish following the 1880 inferno. Only 200 of these maps have been produced in celebration of Milton's 200th anniversary. And they will be made available to the public for a limited time. One of the maps can be yours!

For the first 200 contributions made to the Milton Historical Society of \$100 or more in support of the bicentennial, the donor will receive one of these limited edition maps. Get yours today!

Donate \$100 or more to receive your framed, limited edition of this historic Milton map.
